

Opening of applications for Chevening Scholarships: the prestigious global scholarship programme of the UK government

We are writing to alert you to the opening of applications for the 2018/2019 Chevening Scholarships programme and inform you that we would welcome applications from within your institution from people who have the potential to be a future leader in their subject or profession.

Chevening Scholarships are the UK government's global scholarship programme, funded by the Foreign and Commonwealth Office (FCO) and partner organisations. The scholarships offer the opportunity to study for a one-year master's degree at any of the UK's leading universities, and are awarded to outstanding established or future leaders from a wide range of academic subjects and civil society.

The programme provides a unique opportunity for tomorrow's leaders to build a global network of continuing professional significance and also to establish social, cultural, academic, or commercial partnerships with the UK.

Following a recent increase in investment in the scheme from the FCO, we are pleased to be able to offer approximately 1,500 scholarships across the globe, including in the Russian Federation.

Applications for a Chevening Scholarship must be submitted online at: www.chevening.org/apply and the deadline for receipt of applications is 7 November at 12:00 GMT (UK time). Applications received after this date will not be processed.

Applicants should read the online guidance and demonstrate how they meet the Chevening selection criteria before submitting an application. If they have further questions about the programme they can use the contact us function on the website www.chevening.org/contact-us
